

# How to Know if

## Your Transaction Was Successful

- 1** Add an item to your cart.
- 2** Select which payment type you would like to use.
- 3** Complete your transaction with the specified payment type.
- 4** If the transaction was successful you will see a success message.

\*Note - if the transaction was not successful, please contact the store manager. Their information can be found by tapping the HELP icon on the lower left corner of the kiosk
